

Foundation for Primary Immunodeficiency Diseases

Together we can make a difference

FPID Centers in India

Foundation for Primary Immunodeficiency (FPID) co-founded by **Prof. Sudhir Gupta** and **Abha Gupta**, was established in the US to support the education, early diagnosis, genetic counseling, therapy, and research of PID in both India and the US. The Foundation supports many activities in the US and India, and has established FPID centers in India. (www.fpid.org)
