

REGISTRATION

Registration fee includes admission to scientific sessions, welcome reception dinner, breakfast, lunch, and coffee breaks. Registration is limited, therefore, early registration is encouraged.

There are no abstract presentations.

Please visit www.FPID.org to register

General (Prior to 30th October 2020)	\$350
General (After 30th October 2020)	\$450
Fellows/resident/students (Prior to 30th October 2020)	\$250
Fellows/resident/students (After 30th October 2020)	\$350
Corporate ((Prior to 30th October 2020)	\$500
Corporate (after 30th October 2020)	\$600

A \$50 processing fee will be applied for cancelation prior to 10th December and No refund will be made after 10th December, 2020

ABSTRACT SUBMISSIONS

Please submit abstracts by December 1, 2020. Abstracts may be printed on plain paper with 1" margin around with 12-size font in Arial style and single space. Abstract must be limited to one page. No references should be included. Single author may present no more than one abstract. Abstract must containing Objective, Methods, Results, and Conclusion. Acceptance of Abstract will notify on December 15, 2020.

Abstract may be sent via e-mail (sgupta@hs.uci.edu), or fax (949) 824-4362

ACCOMMODATIONS

A block of rooms at discount rates (single INR 9,500+, double INR10,500+) has been reserved. Rates include breakfast and two way shared airport transfer. Deadline for hotel registration is January 31, 2021.

For details: Please contact Ms. Naomi Lopez at Naomil5@uci.edu
Phone: (949) 824-5818, Fax: (949) 824-4362, or visit www.FPID.org.

6th INTERNATIONAL SYMPOSIUM ON PRIMARY IMMUNODEFICIENCY

in Collaboration with ISPID

5-7 MARCH 2021

Grand Hyatt
Gurgaon

Foundation for Primary Immunodeficiency Diseases

*The conference is organized and subsidized by the
Foundation for Primary Immunodeficiency Diseases (FPID), a not for profit organization.*

The universe of primary immunodeficiency diseases is expanding at a fast pace. Currently, there are more than 400 primary immunodeficiency diseases and each month we continue to add more. Leading experts from all over the globe will be presenting novel findings at the 6th International conference on primary immunodeficiency disease to be held at Grand Hyatt hotel, Gurgaon.

We invite you and your colleagues, fellows, and students to attend and submit abstracts. Space is limited, therefore, early registration is encouraged.

Sincerely,

Jean-Laurent Casanova, Sudhir Gupta, Luigi Notarangelo
